5th. In the economy of time it is important, as it can be heated ready for cooking in a few minutes.

7th. Its uniform regularity, as every part of the stove is equally heated at the same time.

5th. Its perfect reliability, as we have put up over four hundred of them in this State, and no one has ever failed to give entire satisfaction.

The Teunessean has now been before the public for five years, and if not as new as some it has another advantage.

This House while under the control of Colonel J. J. Griffin acquired a very high reputation as a first class hotel. The present proprietor having secured the services of Coloriffn's barkceper, and having purchased his most excellent cook and house boy, and having furnished the bouse entirely anew, hopes to retain its high reputation and merit public patronage. Passengers can be accommodated with an omnibus to and from the boats.

THOS. CRUTCHFIELD, Tennessean started on right principles, and has had no occasion to stop for improvements. Those who have used it are determined still to use it, without modification or change. It is brought forward as the same substantial, convenient, business-like stove that has served the public so well here tofore, and that has done its full share in gaining for our establishment the reputation it enjoys, of keeping the heart establishment the reputation it enjoys, of keeping the best cooking stoves in the market.
